Ref.:-- This office reference C.R.No.520/1928 dated 20-5-1930.

~~The villagers of Hanumapuram have~~ promised a contribution of Rs.200/- in case a rural dispensary is started there and in order to avail this opportunity the Taluk Board sanctioned the opening of the dispensary in the village under reference and the same was also approved by the Government in their order No.783 P.H., dated 31-3-1928. The dispensary in question has not yet been opened for want of candidates and not for any other reasons. The proposal made by my predecessor is to [illegible]

connection I submit, that there is a L.F. dispensary at Kampli a village in a distance of about 6 or 7 miles to Kudatani and the residents of Kudatani can very well avail of taking medical aid either at Kampli or at Bellary. In addition to this there are already 2 more dispensaries now working in the Revenue Taluk of ~~Bellary~~ and one dispensary in the Hiradrug taluk. In order to apportionate the proper medical aid f f both t e revenue taluks, the Taluk Board sanctioned the opening of the 4th., dispensary in L.Hanumapuram, a village in Hiradrug taluk alone. Under these circumstances I would request the Government to allow some time for the working of the 4th., rural dispensary at L.Hanumapuram and therefore no action need be taken on this office reference quoted above.

I have the honour to be,

Sir,

Your most obedient servant,

P. Lakshmi Reddy.

Copy of letter C.R.No.320/1930 dated 20-6-1930 from the Special Officer, Taluk Board, Bellary to the Secretary to the Government, Local Self Government , Deaprtment, Madras.

In G.O.No.1009 P.H., Mis.,C., dated the 12th., April 1929 the proposal to open the rural dispensary, at Muradi Hanumapuram (Kayadrug Taluk) sanctioned in G.O.No-783 P.H., dated the 31st., March 1928 was approved. But the dispensary has not yet been opened for want of candidates willing to settle themselves in this small village. It is only a hamlet of Muradi. A perusal of the correspondence in this office shows that the District Medical Officer, Bellary recommended the opening of the dispensary in Kudatani, Ullihal or Ramatla. The latter two are not Unions. Kudatani is a fairly big village with an Union Board and Police and Railway stations. It is on the road from Bellary to Hospet at a distance of about 12 miles from Bellary. Theopening of an allopathic dispensary there will be of immense help to the public of this and its surrounding villages. I would therefore as orginally recommended by the District Medical Officer, Bellary suggest the opening of the fourth rural dispensary in question at Kudatani and request that you will be good enough to obtain the approval of the Government to this revised proposal.

2. The sanction of the Government is not necessary for the opening of a new dispensary at M. Hanumapuram, as it is presumed that the whole cost will be met entirely from the Board's funds.

Note

The Board has resolved to retain the dispensary at Kadatini. No action seems therefore

necessary.

2 As regards the opening of another rural dispensary at M. Hanumanpuram, there is no provision in the current year. It is presumed the Bd is going to bear the entire expenditure from its own funds in which case no sanction of Govt is necessary
